

VendorNet

What is VendorNet?

- VendorNet is Wisconsin's electronic purchasing information system.
- State and local government agencies post bid opportunities as well as resulting contracts.
- Registered vendors can use the system to access bid opportunities.

Registration Process

Registration is free. To register vendors must provide: FEIN, Company Name, Address and Contact Information. At the end of registration, **you must print and fax** the "Registration Successful" page to complete the process.
